

Useful Sites for PFAS Information

EPA PFAS Homepage - <https://www.epa.gov/pfas>

EPA PFAS Strategic Roadmap - In 2021, EPA issued a strategic roadmap for how it planned to address PFAS issues under the various environmental statutes.

https://www.epa.gov/system/files/documents/2021-10/pfas-roadmap_final-508.pdf

The prior administration also had a PFAS action plan – we leave it to the reader to consider the relevant distinctions between the two approaches.
